Reading Books

Please ensure all reading books are returned to school. We do not issue reading books for the summer holidays. Staff will be reorganising books for all pupils to move up to their next year group.

Finally...

We must congratulate ourselves on keeping Kilby St Mary's COVID free. We are one of the very few schools in the county who have not had to close a bubble during the pandemic. This is down to everybody being vigilant. Staff have worked tirelessly to clean tables, touch spots and equipment throughout the day. I must thank parents for supporting us by keeping your child off if they have symptoms and getting tests when asked. I am very proud of our school community and this success reflects our strong parent and school partnership.

Thank you!

Have a wonderful summer
