Issue 3 November 2020

Phillippa Denney, Headteacher

November sees us once again in lockdown and Birthday Parties have had to be postponed. To enable our pupils to celebrate their Birthdays we are holding a **Big Birthday Party** in school for any child who has a Birthday this term. Classes will stay in their bubbles to celebrate together on Friday 27th November and party clothes can be worn.

The pupils enjoyed taking part in **'Children In Need'** activities on 13th November. Below is Willow Class joining in with Joe Wicks.

Decorations Week

This year we are sadly unable to invite parents to join us for our annual **Decorations Day**. Instead we will be having a decorations week when the children can produce some Christmas Decorations to make the school look festive.

Possible Bubble Closure

You will have received a letter this week outlining our plans to support home learning during a Bubble Closure at school if we have a positive case of COVID confirmed. In summary we have prepared Bubble Closure and Isolation Packs for all year groups in case of closure. These will be sent electronically or can be posted as paper copies if preferred. The letter includes details of some websites that can be utilised to support pupils' learning.

Our Christian Value for this term is Resilience

Parking

Please park at the DOG and GUN when dropping off and collecting your child/ children.

Spellings

Pupils will bring home word lists, with their reading books every Monday in order to learn and practice them.

Reading Book Reminder

Homework and Reading Books should ONLY be returned to school on a Friday in order to quarantine the books. Pupils will be given a new book and homework on the following Monday.

Keeping Parents Up To Date

We will be sending home Written Reports for all pupils later this month. These will be based upon pupils work in different areas of the Curriculum, their ability and effort since the full opening of school after lockdown.

Special Mention For Outstanding Behaviour
